

## Share your Story: Photographic exhibition Sunday 13th July - Friday 25th July at St Gregory's Church, Marnhull

Watch the personal faith stories of ten people from Dorset and Wiltshire. They've shared their story to encourage better conversations about faith. These stories will be shared daily on **Diocese of Salisbury's** social media: Facebook, Instagram and TikTok channels; however, you can watch all the videos through YouTube.

In conjunction with this, there will be a **diocesan photographic exhibition being held HERE at St Gregory's Church everyday from Sunday 13th-25th July and the church is open daily 9am-4.30pm to see them.**

We will also be sharing **local faith stories within each 10am Sunday services during August.**  
Why don't you come along and hear for yourself?
